## COUNCIL
## Unanimous Vote On Condemnation
### Still Has 30 Days To Correct Violations

Another step in condemnation proceedings against properties located at 6951-6995 Mission and 5 and 7 Bismark streets, Daly City, was taken, Monday night, when the city council unanimously passed two resolutions declaring the buildings a nuisance and giving a 30-day period in which to correct violations of sanitary and building regulations. If the owners have not shown good faith in making necessary corrections at the end of the period, final condemnation proceedings will begin.

Attorney Wayne Millington, representing Arthur R. and Emma Haskins, owners, made a plea for a 30-day stay before the passing of the resolutions, but councilmen expressed the opinion that, in as much as over a period of years no satisfactory move to comply with state and county rules had been made, immediate action must be taken.

Stanley White, representing the California Division of Immigration and Housing declared that buildings on the Haskins properties had been condemned as being in violation of the state housing acts.

Under communications, the San Mateo County Department of Health and Housing reported that the owner of apartments at 96 Mission circle had been given 30 days notice to correct infringements of the sanitary and building codes. The report listed a series of violations including leaking roofs, rats, illegal wiring, broken windows and dark, dirty rooms.

Councilman Edmund Cavagnaro reported that the baseball diamond at Marchbank park would be ready for use in about a week. He stated that City Engineer R. A. Klassen had inspected the playing field.

The matter of reduced rates for Daly City Victory Garden growers, which has been under discussion for many weeks, was brought up again by Councilman Cavagnaro, who originally suggested the plan. He pointed out that time for action is short. However, others of the council felt that a more

## Would You Like To Give The Boys Some Records?

A phonograph without records isn't much of a joy to anyone. So—how would you like to donate a few? Soldiers near Daly City have built themselves a day room and local residents are helping to furnish it. Among recent gifts for the boys were two phonographs, but no records. How about it?

Other needs include up-to-date books and magazines, chairs, tables, puzzles, lamps, any sort of furnishings or recreational materials that would make the day room a pleasant place to spend off-duty hours.

If you have any contributions you would like to make just phone The Daly City Record, RAndolph 3215, and we will relay your name and adress to the lieutenant in charge.

## Issue Instructions On Evacuation Plan
### Remind Public To Wait For Specific C D Orders

General evacuation instructions are being issued to all Daly City residents by the air raid wardens. A major portion of the community has already been covered and Chief Air Raid Warden Harry Melicker pointed out that any householder who misses his copy may get one from his senior warden.

The instructions were prepared by the San Mateo County Evacuation committee and are printed on serviceable tagboard so that they may be posted permanently in the home. They explain that evacuation of the civilian population will be authorized only in the event of military action causing large conflagration; destruction of many homes, or in case of a threatened invasion whereby this area might become a combat zone.

The type of evacuation, if any, will be dictated by the necessity at the time of action under orders of the military authorities. Residents were advised that they should never move from their homes unless the air raid warden in their district instructs them to do so.

Among articles to have ready in the case of evacuation are: valuable papers, cash or traveler's checks, personal effects, two blankets per person, warm dress or suit and a comfortable pair of

## RED CROSS WAR DRIVE
## Daly City Falling Far Short Of Goal
### Campaign Will Close Wednesday, March 31

With voluntary workers nearing completion of their task of visiting every home in Daly City and Colma, the 1943 National War Fund campaign for the American Red Cross, prepared today to enter its final week in seeking financial aid from local residents for America's foremost charitable organization.

The campaign, which has been under way all over the nation for the past month, will end, Wednesday, March 31, it was announced by John Degliantoni, general area chairman here. The Red Cross War Fund campaign takes the place of the annual Roll Call which, in previous years of peace, was an important source of revenue for the American Red Cross. Now, with America in war, the Red Cross needs the help of every Daly City and Colma resident more than ever.

With over two and one half million volunteers contributing 150 million working hours to the Red Cross in America, the vast work of the institution is incomparable. It includes service to men in uniform both at home and abroad, and to their families. One important obligation of the Red Cross, that of service to men interned as prisoners by the enemy, has been very helpful to families here in Daly City.

Several Daly City service men interned by the Japanese in Shanghai as war prisoners have been successful in getting word to their families here by means of the International Red Cross headquarters in Tokyo. The Red Cross has been described as serving "as a line of communication all over the world."

Daly City's drive, to date, has garnered about $1,000 in three weeks of campaigning, according to Degliantoni. This figure falls short of the $4700 quota set for the community by the San Mateo County chapter. One of the underlying causes for the low figure, as it was pointed out by Degliantoni, was the fact that a large number of Daly City residents had given to the drive in San Francisco rather than Daly City.

"Of course it all goes to the Red Cross," Degliantoni said, "but at the same time, that doesn't help our quota any."

Both Mrs. Marcie Trier, local chairman of the women's division and Degliantoni, emphasized that all local persons should give to the Daly City drive only. To those who have not been reached by voluntary workers in the canvass and who want to contribute, the War Fund Campaign committee asks that they contact Mrs. Trier, 158 Woodrow street or call her by telephone, DElaware 6652.

Degliantoni announced that he would make his final canvass of merchants in Daly City, this week. Nearly all of them have been covered now, he said.

In Colma, the campaign found good results with respect to the residential territory. Mrs. M. Pauline Brown, Colma chairman, reported a total of $303 collected in the house-to-house canvass. She highly praised her volunteer workers there for their faithful and loyal work.

Separate from the campaigns under the three others chairmen, Mayor A. J. Gaggero found excellent response from the hog ranchers in the Colma area, who had contributed a totalof $200 when the last report was made.

## Local Housewives Will Start Using Those 'Red' Stamps
### Basic Allotment Is 16 Points Per Person

Starting Monday, March 29, housewives of the Daly City area, like homemakers the nation over, will begin to use the red stamps from War Ration Book Two to obtain their family supplies of meat, canned fish, cheese, and edible fats and oils.

In the first month, each holder of a book, regardless of age, will have a basic allotment of 16 points a week to spend and family shopping may be done with the books of all members. Point values of the newly-rationed foods will be the same in every retail store in the country.

**These foods will be rationed:**

## Service Men Enjoy NDGW Hospitality

This social marks the first move by local organizational groups to entertain the service men in this area. The Native Daughters expressed the hope that other groups would carry on with this important work.

As a surprise to "the boys", the members brought as price of admission to the affair books, maga-

## Draft Board Chairman Issues Set Of Rules

In a warning to all registrants of Daly City Draft Board No. 103, Dr. J. C. McGovern, local board chairman, cautioned men to carry registration cards and classification cards, and otherwise comply with selective service rules. His warning was directed especially to 18-year-olds who are just becoming eligible for draft.

Dr. McGovern issued the following reminders to all registrants in the local board area:

1. Carry your draft registration card and your classification card with you at all times.
2. Answer and return your questionnaire promptly.
3. If and when you are ordered to do so, report for examination and induction on the day ordered.
4. Inform the board of any change in your address, and report any change in your family status or occupation.

## Sale Of Tickets For Ball Is Brisk

Sale of tickets for the Ninth Annual Firemen's ball at Colombo hall, Saturday, May 8, has been very promising so far, it was announced by Fire Chief A. P. Chesney.

Funds for the Widows and Orphans association is the benefit aim of the annual ball which is held under the auspices of the Daly City Fire department. Johnny Dell's Union orchestra will furnish the music for the event.

The Widows and Orphans association is a protective association for the families of deceased members of the Daly City Fire department. Chief finances of the organization are made possible by the proceeds of the annual Firemen's ball.

Chief Chesney urged everyone who can to attend the dance, and he guarantees them a good time. A large committee of local firemen are preparing for the event, and entertainment will be plentiful.

## Senior Air Raid Warden Group Sees Demonstration Of New Stirrup Pumps

Senior air raid wardens of Daly City witnessed a demonstration of the stirrup pump at the regular meeting of the group, Friday night, March 19, at the city hall. Described as essential equipment for every local home, the pumps can shoot a stream of water 50 feet and are invaluable in extinguishing small fires or keeping them under control until the fire department can arrive.

Chief Air Raid Warden Harry Melicker announced that Company 32, San Francisco, had invited local wardens and residents to attend a showing of war instruction films. Titles of the pictures to be shown are "Target for Tonight," the step-by-step picturization of the carrying out of a raid over enemy territory by the bomber command of the Royal Air Force; "Midway-Coral Sea Battles," official Naval pictures of the first important battles of the war; and "The Air Raid Warden," which describes the duties of the air raid warden and what he will do during times of need. The films will be offered to the public at five different times—Friday, March 26, 8 p. m.; Saturday, March 27, 8 p. m.; Sunday, March 28, 2 p. m.; Sunday, March 28, 4:30 p. m.; Sunday, March 28, 7 p. m. At all performances doors will open half an hour before the movies start. Admission is free and location is Holly Court Social hall, 100 Appleton avenue, corner of Patton street, which is one block from Mission street and 2 blocks south of Cortland avenue.

Senior wardens were told of new types of incendiary bombs being used now by the Germans and Japanese. Unlike the early incendiary bombs, no fine spray should be used, only a steady stream of water.

Other matters of discussion at the meeting included the baseball game to be played with Company B, California State Militia, and the distribution of evacuation instructions in this area.

Next meeting of the senior wardens is set for Friday, April 2, 8 p. m. at the city hall, 75 Wellington avenue. Twenty-one senior wardens attended the March 19 session and leaders of the group expressed the wish that a still bigger turnout would be on hand for the April 2 meeting.

# COLMA RED CROSS CENTER HAS BIRTHDAY

Members of the Colma District Red Cross Production center celebrated their first anniversary, last Thursday afternoon, following the sewing hours at their workroom in the Colma Community Center building, Dunks street, by serving refreshments.

Twenty-one ladies were present. A birthday cake decorated with a large Red Cross made of frosting and one candle had the place of honor.

At the request of Mrs. Leota Suenderman and Mrs. Cecilia Fuchs, co-chairmen of the production room, Mrs. M. Pauline Brown, general chairman of the district, read a short report of the past year's work. Garments made included hospital bed shirts, pajamas, bathrobes, and numerous garments for women and children. Production hours for the year totaled 1,417. The sewing room is open every Thursday afternoon, from 1 to 4 p. m.

In her talk, Mrs. Brown particularly stressed the loyal service of the two co-chairmen, Mrs. Suenderman and Mrs. Fuchs, Mrs. Elsie Belli, the secretary, and the charter members. She said that a group such as this, part of a national organization devoted to volunteer, patriotic work, is of untold value in any community.

"Especially is this true in such a scattered community as Colma unincorporated," Mrs. Brown added. "Individual patriotic work without participation in some community endeavor is not sufficient. Just as our boys on the fighting front work in units so we at home should all be part of some community unit doing patriotic work," she concluded.

The day's program concluded with the awarding of Jr. Red Cross arm insignia to Alma Feno and Rose Brandi, who have faithfully swept and dusted the sewing room during the entire year.

Members present were Mrs. Brown, Mrs. Suenderman, Mrs. Fuchs, Mrs. Belli, Mrs. P. Ramer, Mrs. L. Jost, Mrs. Rena Moresco, Miss Jean Belli, Mrs. Celia Pratt, Mrs. Dina Rossi, Mrs. Alice Agresti, Mrs. Marianna Agresti, Mrs. Pauline Dimergrasso, Mrs. Eva Bocci, Mrs. Mary Lewis, Miss Helen Sevier, Mrs. Kirkpatrick, Mrs. Gertrude Stanghellini, Mrs. Sue Graziani, Mrs. MacDonald, and Mrs. Fannuchi.

# If Nobody Picks Up Your Tin Cans Write To Daly City Salvage Chairman

R. L. Crane jr., Daly City Salvage committee chairman, announced, this week, that tin can collections have shown a marked decrease since processed food rationing began. He pointed out that tin is so urgently needed in the war effort that cans should still be saved, even though it may take a longer period to accumulate a full box.

Crane announced that residences at which no pupil-collector calls regularly may be put on the pickup route by notifying him by postcard at the Administration building, 344 Santa Barbara avenue. In turn, Crane will notify authorities at the school nearest the home of the person writing the card and some child will come by for the donations.

All tin salvagers were reminded that unless tins are properly prepared they cannot be accepted by the schools. Here's how: 1. Wash each tin can thoroughly; remove paper labels. 2. Cut both top and bottom nearly off the can and fold inside. 3. Step on the can to flatten it neatly.

Simple, isn't it? And what a headache for Hirohito et al!

A daughter was born to the wife of **Roy H. Jensen,** Daly City, March 12, in San Francisco.

# "Now, Voyager" Opens At Daly City

Bette Davis' newest starring picture, "Now, Voyager" opens tonight at the Daly City theatre, an event which spells entertainment plus to film audiences. Co-starred with her is the romantic Viennese actor, Paul Henreid, while the brilliant supporting cast is made up of such film favorites as Claude Rains, Gladys Cooper, Bonita Granville and Ilka Chase.

Miss Davis has a role that calls for the finest of acting. In "Now, Voyager" the story of a New England girl who rescues herself from her inhibitions, she is unattractive to start with but later becomes a charming woman of the world who, through love, finds the courage to rebel against her tyrannical mother.

The picture starts when Bette's sister-in-law, played by saucy Ilka Chase, a young woman who can stand her ground in defiance of the stiffest of Boston Back Bay tradition, decides to call in Dr. Jacquith (Claude Rain's role), a psychiatrist, to treat Bette. For Bette is suppressed in every sense of the word.

At first she is antagonistic toward the doctor, but later becomes more sympathetic and reveals to him that all her life she has been under the strictest domination of her mother, a strait-laced disciplinarian who never would allow her the simplest of pleasures.

Bette forms a hatred for her mother which culminates in her having a nervous breakdown. After a period of mental reconditioning at Dr. Jacquith's rest home, he advises her to go on a trip before returning to face her mother. Her sister-in-law puts her aboard a luxury liner.

Here she meets Jerry Durance, a lonely but friendly young man, and as the trip progresses, especially after a week spent together in Rio, they fall deeply in love with one another. But she is fully aware that he is married to an invalid wife and has a seven year old daughter, who like her, suffers from fixations and phobias.

# DON'T LOSE SOCIAL SECURITY CARD

"Every time an American worker loses, destroys, or mutilates his social security account card, he is wasting as much money as it costs to provide 13 bullets to an American soldier," Edward J. Foley, manager of the San Mateo office of the Social Security board, 308 Baldwin avenue, San Mateo, said today. He asked that holders of social security cards safeguard them as a wartime conservation measure.

Nearly 2,000,000 duplicate account cards were issued by the Social Security board in the last 12 months, Foley said. They were issued to persons who had lost or destroyed the ones originally given them.

"The money spent for printing, processing, and mailing the 2,000,000 duplicate account cards could have purchased more than 550 jeeps for the Army or 25,000,000 rounds of ammunition," Foley said, to illustrate the wastefullness of failure to safeguard the original cards. "If taken care of properly," he added, "the social security cards will last a lifetime," and gave the following tips:

"Don't carry your card with you unless you must. Put the lower half of the card in a drawer, safe, or other place where you keep valuable documents. Know where it is, then if you lose the upper half, bring this lower part into any Social Security Board field office and get a new card right away.

"If you change jobs frequently, and need to carry your card with you, don't just stuff it in a pocket. Put it in your wallet or card case, try to protect it against loss, wear, or mutilation. Never keep your card in your overall or shirt pockets."

Foley also warned against using the card for identification purposes. He said the card is not only valueless for identifying persons, but such use results in wear and tear and shortens the life of the card.

## Sergeant Cullen Visits With Parents

He was formerly stationed at Lowery field, Colorado, but is now attached to Sedalia field, Warensburg, Missouri.

His sergeant chevrons were sewed on just two weeks after he was made a corporal.

Sergeant Cullen is well known in this community. He attended local schools and lived here many years before joining the army.

## REWARD: ONE CAN

There's the advertisement which read: "Lost, collie pup. Reward: one can pineapple worth 21 coupons." Probably finders weren't keepers that time, inasmuch as a can of pineapple isn't being sneezed at, and a collie pup would require many points for feeding!

These days we're endeavoring to charm such of our friends as "don't wear out their shoes very often" and scorn three pairs a year as "two more than they require!" For them, our best pot luck supper and the gentle reminder—that we wear out our shoes so fast!

And how alert everyone looks, with a "gimme" gleam in the eye, when someone remarks all innocently that he or she never uses up last month's pound of coffee, let alone this one. They do say war is a great leveler.

# AT JEFFERSON HIGH

**CHORUS**

During Public Schools Week, April 12 - 16, members of the high school chorus will present a program to the public.

They will perform during Open House, Tuesday, April 13, at the school auditorium.

The group will present "Ballad for Americans," written by Robinson. Oscar Busch will direct. Kenneth Hatt will be featured in the baritone solo part, and Gloria Tooth will present several piano solos.

Five more singers from Jefferson have been accepted as members of the Municipal Chorus of San Francisco, which is under the direction of Dr. Hans Leschke. They include: Ralph Capps, Virginia Nestor, Phoebe Remington, Doris Verengo, Patsy Ward.

Other students who have been members for some time are: Louis Baciocco, Lowell Coy, Kenneth Hatt, Jerry Martin, Betty Jeanne Olinger, Jerry Lockwood, Busch, and Martin VanWaynen, faculty members.

The chorus is preparing the "Requiem Mass" of Brahms, which is to be given some time during Holy Week in the civic auditorium. The San Francisco Symphony orchestra will accompany.

The mass is to be dedicated to heroes killed in World War II.

**Stamp Drive**

Orchids go to the Bond and Stamp committee of the school for their fine work.

Jerry Martin, chairman, announced that approximately three hundred stamps were sold Friday, alone.

Along with the purchase of a stamp, each student received a ticket which entitled him to ride in a jeep.

Credit for this A-1 idea goes to Kay Lyons, member of the committee, who was responsible for making the contact with the Marines for the Jeeps.

In a report by Martin he said, "This week finds the jeep campaign out of the way at Jefferson, but things are not dead by any means. The interclass competition for the sale of Bonds and Stamps is now underway.

"Each day a different class holds the spotlight and tries to purchase a larger percentage than the other classes. If the parents or friends want to help out they can order bonds and it will count for the particular class which is in charge of that day. There should be some keen competition through the entire week."

He concluded by reminding the students that "Stamps Lick Tramps," and that's certainly what they are trying to do at Jeff.

**Executive Board**

At the executive board meeting, Tuesday, March 16, the following business was discussed by members present:

Ralph Capps, president, planned a date for the committee to work on revising the constitution. Elsie Belli suggested a night vaudeville to be given to raise funds for Red Cross and student body funds. Mary Seidel, GPAL representative, suggested that the GPAL have their own constitution and only one sentence in the student body constitution.

**G. P. A. L.**

Volleyball season ended Monday, March 15, with the winner of the interclass championship being the juniors. They will receive class numerals in the near future.

Team members were: Isabelle Schioldager, captain; Sue Foster, Claudilia Lauretta, Augusta Cattaneo, Dorothy Dawe, Virginia Adams, Frances Vaughn, and Violet Chelone.

Other team captains were: Anna May Lowry and Shirley Schilling, freshmen; Barbara Blecher, sophomores; Georgette O'Brien, seniors.

Forty girls recently received their awards and GPAL points for participation in volleyball.

Basketball season started, Wednesday, March 17. Approximately 45 girls came out for practice. Victoria Filios was chosen as manager.

Tennis for G. P. A. L. members began, Tuesday, March 16.

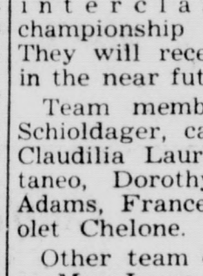
**CSF**

Members of the C. S. F. sponsored an afternoon dance for the benefit of the Red Cross Drive, Wednesday.

Howard Miguel and his Indians of Rhythm played for the affair. Admission was the showing of a Red Cross badge.

**Spring Swing**

Tickets for the Spring Swing went on sale this week. The entertainment committee announces that it will be a grand success. All decorations will be in the spring motif.



**Block J Society**

Semi - finals in the boxing tournament, sponsored by the Block J society, will be held Friday, April 9, in an assembly.

Class eliminations are now going on during the gym periods. Coaches Elman Rose, Glen South and John Harville are in charge of instruction.

Finals will be held some time next month, at a Fathers' and Sons' night. Winner will be presented with a golden glove watchfob.

**Seniors**

Oh Boy! Did you see the long faces on about half of the seniors, Friday? Yep, it was flunk notice day, and the senior class had an extra amount given. Old Man Scholar hid his head in shame.

The students have approximately two weeks to make up the notices, or they might find themselves not graduating.

# READING & WRITING

BY *Edwin Seaver* AND *Robin McKown*

CRUSADERS always have a hard time of it. They not only have to point out the wrongs they are combatting; they also have to convince others to act. That's what Colonel Effingham runs up against, in Berry Fleming's new novel, "Colonel Effingham's Raid," when he tries to reform the small Southern town of Fredericksville, Georgia

BERRY FLEMING

Narrator of this story is an easy-going young reporter named Albert Marbury, on the staff of The Leader. Albert's chief troubles, up to the time the story begins, have been concerned with such things as keeping the pretty young Society editor, Ella Sue, in her proper place. Then one day Albert gets a telephone call from a man who announces he is "Cousin Willie."

"Cousin Willie" turns out to be W. Seaborn Effingham, Colonel U. S. Army, retired, an officer, a gentleman, and a citizen, in the best sense of the words. But Albert doesn't understand this all at once. In fact, when the Colonel offers to do a column of war commentary for The Leader, Albert is deeply embarrassed. Members of good Southern families aren't supposed to get their names into print.

Even then he did not foresee the Colonel's liberal interpretation of what was suitable to discuss in his column, "On the Firing Line." The first target of his indignation is directed against the politicians who are planning to rename the central square of the town, dedicated to the brave Confederate dead, after Pud Toolen, a local boss of unsavory reputation. He makes more sparks fly when he learns that these same politicians intend to tear down the beautiful historical courthouse, so that graft can be distributed in the building of a new one.

Many women are aroused, and some men, too, by the Colonel's really military campaigns against political corruption. But not enough to do anything. One reason is that the Colonel has underestimated the power of the local sense of humor. In Fredericksville, it is bad form to be serious about anything.

But he doesn't admit defeat. For one thing, there's Albert, this lackadaisical young reporter, who finds himself, partly because of the Colonel and partly because of Ella Sue (who turns out to be a pretty nice girl, after all), first in the National Guard, then in the Army, going off to fight for his country. And who knows how many others have been stirred out of their complacency?

"Colonel Effingham's Raid" is a March Book-of-the-Month Club choice, along with another novel of small-town life, William Saroyan's "The Human Comedy."

## Elementary Pupils Make 187 Ditty Bags

A large consignment of ditty bags and menu-holders is ready for shipment to the Hamilton Field hospital due to the hard work of the Junior Red Cross and the arts and crafts classes of the elementary schools of the Jefferson School district.

R. L. Crane jr., district superintendent of schools, announced, Monday, that the Junior Red Cross, directed by Mrs. Ruth Mayo, sewing instructor, had completed 187 ditty bags, while the arts and crafts classes, supervised by Mrs. Rose Corral, had turned out 124 menu-holders.

All during the school year the youthful workers do their part in the war effort, sewing for service men, and making various sorts of simple crafts articles like reading boards and slippers for the convalescent. The articles are collected by the San Mateo County chapter, American Red Cross.

# Two Jeff Teams Will See Action

Both frosh-soph and varsity baseball teams of Jefferson high will see action at 3:15 p. m., this afternoon, simultaneously on two high school diamonds against teams from Commerce high school in San Francisco. Games will also be played by both local teams in a double bill here, tomorrow, against George Washington high.

In a close contest staged here, last week, the Indians took the long end of a 5-3 count with St. Peter's high. The game was neck-and-neck all the way with both teams getting eight hits. Bill Freeman, Jefferson's southpaw pitcher, was the star of the game, striking out thirteen batters, and opening the scoring by driving Shortstop Walt Cavagnaro home in the first inning with a long triple over the right fielder's head.

Cavagnaro and Catcher Bill Wright led the batting, each with two for three times at bat.

## PAL RELAYS

Fourteen track and field athletes from Jefferson high will accompany Coach Elman Rose, tomorrow afternoon, to Sequoia high school to compete in the annual PAL relays.

Coach Rose announced that he will have relay teams in all four weight divisions. Indian hopes are pinned on the performances of runners in the 110 division, while stock in the varsity division is low, Coach Rose said.

## STANFORD COURSE

To retrain business and professional men for supervisory positions in war industries, the Stanford War Training office is offering through the Graduate School of Business at Stanford a free, 10-week course in management practices in war industries.

The intensive retraining program will open, Monday, April 5, and operate on a full-time basis of 40 hours a week on the University campus.

The general intent of the course is to train men for war production in the fields of industrial management, personnel work, and cost accounting.

"In giving this course we are endeavoring to create a reservoir of men capable of assisting the war effort in supervisory capacities," says J. Hugh Jackson, dean of the Graduate School of Business, who will direct the program.

**THE SITUATION:** *Many War Trains delayed for lack of Brakemen!*

**THE REMEDY:** *Suspend California's stringent "Full Crew Law" during the War Emergency.*

The railroads are carrying a tremendous load of war freight as well as troops and their equipment. This freight must be moved quickly, efficiently and without delay, for this is vital to the war effort. This freight includes equipment for our armed forces, materials for shipyards, airplane factories and other plants whose products are needed to win the war.

Like most other industries the railroads are short of manpower, and unfortunately many freight trains were delayed in California last year for lack of brakemen

**As an example of delays, one California railroad alone had 226 trains delayed from 15 minutes to 22 hours during a ten day period in October, for lack of brakemen.**

Other roads had similar difficulties in meeting their wartime responsibility. As our war effort is increased, particularly on the West Coast, the railroads will have more and more passengers and freight to carry. 1943 will exceed 1942 in train movements.

An important factor in the shortage of brakemen in California is the California "Full Crew Law," which specifies the number of brakemen on trains according to their length and the grades on which the trains operate.

There are only 14 states out of the 48 which have "Full Crew Laws" and California's law is the most restrictive, burdensome and stringent of them all. Many freight trains carry double the number of brakemen required or used in any other State of the Union.

The California railroads, therefore, are asking the California legislature to suspend the provisions of the law requiring more than two brakemen per train. They ask this suspension for the period of the war emergency only.

**The California "Full Crew Law" was passed way back in 1911 and the California railroads contend that there are no reasons now for the excessive number of brakemen required by the California law. And brakemen will still have plenty of employment, for during the war emergency there will be no necessity to "make work" for any class of railroad employees, including brakemen.**

You know the importance of railroad freight transportation in the war effort. You have proved this by a considerate and understanding attitude when passenger trains have been delayed by freight traffic. We are therefore issuing this frank statement in order that you may know our problem, what we are asking of the legislature, and why.

"Make production" and not "make work" legislation is our country's need now.

shippers and other essential individuals, thus releasing their efforts for war work. And working in the garden is also making Mr. and Mrs. America stronger and better fit to do other war jobs.

Our community must be cultivated too, or it cannot be a well-regulated and happy place in which to live while doing our part to win the war. Patronizing local institutions, paying taxes, buying all War Bonds possible, making our homes lovely and livable, and ourselves each day more cheerful and neighborly, are seeds of Victory each one of us can plant to grow a community that will be loaded down with a harvest of prosperity and good fellowship!

## Dressings styled for salad glamour

**Variety** in a salad lies not only in the **salad** ingredients, but also in the dressing. Just a dash of this or that does wonders for your favorite salad dressing and mayonnaise, and changes the entire personality of the salads. And now that spring is getting under way, and fresh vegetables and fruits will be making their appearance on the markets in greater abundance, it's the opportune time to let generous salads assume a featured role on the menu. Salads are vitamin and mineral foods, you know, and do wonders for winter-tired appetites.

**RUDDY DRESSING** — Combine 1 cup salad dressing or mayonnaise with shredded raw beet and the juice of half a lemon. The beet tints the entire dressing. Chopped cooked pickled beets may be used, too. Delicious on raw or cooked vegetable salads.

**MOCK HORSERADISH** — Add ½ cup finely ground cabbage to 1 cup salad dressing or mayonnaise, and touch it up with a dash of salt and pepper and celery seed if desired. Use it as horseradish or as a dressing for meat and vegetable salads. Perfect as a relish on cold plate lunches or with sandwiches.

**CHIVE DRESSING** — Combine 2 tbsps. finely chopped or sliced chives with 1 cup salad dressing. If you've no chives, then the green tops of onions do the trick. Use this dressing on meat, fish and vegetable salads.

**MOCK HOLLANDAISE** — Mix 1 cup salad dressing or mayonnaise, 2 tsps. prepared mustard, 1 tbsp. lemon juice, and a dash of salt, and serve as a sauce for hot vegetables such as cauliflower, asparagus, and artichokes.

**PEANUT BUTTER DRESSING** — To 1 cup of salad dressing or mayonnaise, add ¼ cup of peanut butter, and a few drops of lemon juice. Mix well and serve on cabbage, carrot, and fruit salads. It's especially good on apple salad.

**SWISS MISS DRESSING** — Add ¼ cup shredded Swiss cheese to 1 cup salad dressing or mayonnaise. American cheese has its flavor points, too. Both are the perfect dressings for fruits of all varieties.

**PIQUANT DESSERT SAUCE** — Mix 1 cup of salad dressing with ⅔ cup fruit juice, any kind is very good, and use as a topping for fruits. If a sweeter dressing is desired, add a bit of honey.

**AND REMEMBER** — Catsup, prepared mustard, chopped pickles, celery, olives, onion juice, garlic powder, meat and chili sauces, chopped hard cooked egg, horseradish, a dash of sage, chopped parsley and most any spice or herb can be added to salad dressing and mayonnaise for delectable taste variety.

## District C. C. P. T. Meet Held At Jeff

Jefferson Union high school and the eight northern units of Seventeenth district, C. C. P. T., were hosts for the March sessions, Thursday, March 18, in Daly City. Mrs. C. P. Benz, director of home service, and her department cooperated with the high school students and faculty to present a program of exceptional merit.

An impressive flag ceremony opened the meeting when buglers, Tom Beeson and Emile Lemoine, and drummer, Glenn Kollmann, announced the color guard. A. W. V. S. Juniors who led the salute were Anna Crossland, Ruth Basso, Ruth Higgins, Dolores Eaton, and Wilma Cassaza. Principal James Ferguson in greeting the assembly gave a character thought on Public Schools Week and the privilege of free education.

A panel dramatization titled, "Something to Do, Someone to Love, Something to Hope For," directed by R. J. Gale of the high school faculty was produced by the students. Gene Hopper held the central role in parts from the book, "Who Walk Alone" by Perry Burgess. Narrators of the story were Carol Bryant, Mary Seidel, Walter Cavagnaro, and Leslie Greig.

Choral music of the high school group with Oscar Busch conducting was well received. Accompanist was Barbara Gregor. Soloists were Louise Baciocco, Pat Marocco, and Kenneth Hatt.

Mrs. Stella L. Jensen, district president, convened the business session. Members of the nominating committee named were: from the north, Mrs Walter Lehigh; Burlingame, Mrs. George Bruns; San Mateo, Mrs. L. G. Evans; south, Mrs. D. B. Ralston; coastside, Mrs. Flora Steele; and members-at-large, Mrs. J. E. Rasor and Mrs. S. A. Coulthard.

The library exhibit on "The Four Freedoms" was arranged by Miss Clara B. Dills, district home reading chairman.

A full report was made by Mrs. Jensen on the recent state board meeting in Los Angeles, where it was decided to cancel the annual convention.

Miss Pansy Jewett Abbott, county superintendent of schools, urged the importance of added service for young people because of transportation and social curtailment. New plastic identification tags were shown by Mrs. George Bruns, chairman, and further registrations may be made through the local units.

Annual district convention will be held at the Taylor boulevard school in Millbrae, April 15. Mrs. Floyd Huff, first vice-president and program chairman, announced plans for awards, reports of officers, and exhibits of procedure material.

Luncheon, last Thursday at Jefferson high, was arranged by Miss Elizabeth Jones. Cookery students prepared and served the meal in the school cafeteria.

## Vitamunitions

By BETTY BARCLAY

Not all our women in war work are making shells or putting fabric on the wings of airplanes. Many are working strenuously on farms, among poultry, in gardens and with fruit, so that our fighting men and their families at home may have the proper "Vitamunitions" on their breakfast, dinner and supper tables.

Thousands of men and women are growing, picking, sorting, shipping and selling oranges and lemons — those super-vitamin foods that so many countries find it impossible to secure. Because of this our children can still have their morning glass of juice. We can put health in every lunch box with an orange or bake a cake like the following for our home or lunch-box menu as often as we desire:

**Honey Orange Cake**

½ cup shortening
½ cup sugar
½ cup honey
1 egg, well beaten
2 cups all-purpose flour
2 teaspoons baking powder
¼ teaspoon soda
¼ teaspoon salt
½ cup finely shredded orange peel (3 or 4 oranges)
¼ cup orange juice
1 teaspoon grated lemon peel

Cream shortening. Add sugar gradually, add honey, creaming constantly. Beat in egg. Sift dry ingredients thoroughly (flour, soda, baking powder, salt), add orange peel and lemon peel. Combine dry ingredients and orange juice alternately to creamed mixture beginning and ending wtih flour mixture. Spread in well greased cake pan. (Mixture is quite thick). Bake at 350 degrees F. about 45 minutes. Serve plain, iced, or with hot fruit sauce.

It's common sense to be thrifty. If you save you are thrifty. War Bonds help you to save and help to save America. Buy your ten per cent every pay day.

## Woodrow Unit Holds Regular Monthly Session

The group reported that a large number of kindergarten mothers attended along with the regular members. The entertainment was presented by the kindergarten class.

Mrs. Ida Hanley, president, was honored by the members when they presented her with a life membership. Mrs. Linden, in the absence of Mrs. Emma Sorg, life membership chairman, made the award.

The following dates of interest to members were announced by the president: regular monthly whist, this afternoon, 1:30 p. m., 117 Miriam street; sewing meeting, Friday, April 2, 35 Woodrow street; combination board and regular meeting, Tuesday, April 13, 2 p. m. at the school.

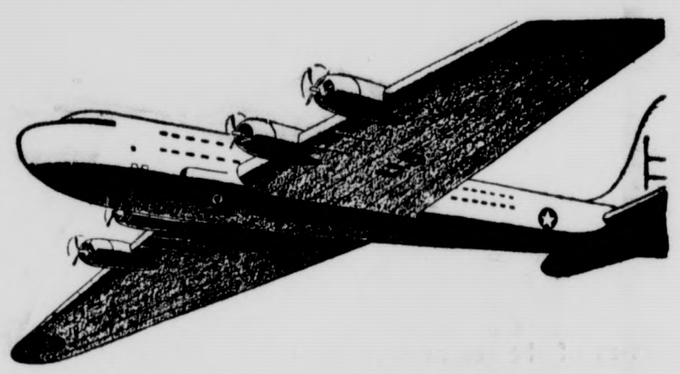
## Presidio Chapel Scene Of Wedding

San Francisco Presidio's chapel was the scene, March 8, of a wedding which occasions much interest locally. The bride was Miss Theresa Cerruti, daughter of Mr. and Mrs. V. Cerruti, San Francisco, and the groom, Sergeant Elio A. Fontana, former student at Jefferson Union high school and Colma resident.

The bride was given in marriage by her brother, Sergei Cerruti, while Miss Gloria Fontana was maid of honor. Families of both young people attended the ceremony.

The couple honeymooned at Carmel and are now making their home in San Francisco. Before entering the Army, Sergeant Fontana was manager of V. Fontana and company.



*It shall be...*

A TOTAL VICTORY
A LASTING PEACE

OUR BOYS are striking telling blows these days on many battle fronts. They will strike harder and oftener throughout 1943. And this will be because you with your Bond Dollars are giving them the weapons to fight with. Every ship, plane, tank, gun, rolling off the American line of production, is speeding the day of total victory.

Knowing this, you are willing to sacrifice, to forget luxuries, even to do without many things you have looked upon as living necessities. It is the boys on the firing line who must endure the real hardships. And that our country shall be safe and that we shall win through to a lasting peace, we at home must do our share in the only way open to us—and that is by making sure that the world's best munitions of war are in the hands of the world's best warriors.

Buying War Bonds is the patriotic thing to do. It is also the smart thing to do. It is a guarantee of America's future. For when the boys come home those bonds will be ready to find their way into the channels of free American enterprise—to build homes, establish farms, equip shops, and help our nation move into the blessed activities of Peace.

Buy War Bonds regularly and according to plan. Increase the percentage of your income you are investing in them. Help to build up the grand total of America's Nest Egg.

# Service Men Enjoy NDGW Hospitality

(Continued from Page 1)

zines, games and puzzles which were presented to the men for their recreation room. To make the occasion as close to an "evening at home" as possible, homemade candy, cakes, pies, punch, and sandwiches were served at a gaily decorated St. Patrick's buffet table.

An evening of dancing was enjoyed, augmented by community singing and games. A number of young ladies were invited to the affair by the organization to insure all service men of partners for the dancing.

The men publicly expressed their gratification to the parlor for a very pleasurable evening and are looking forward to another visit in the near future.

In charge of the affair were members of the civics committee: Mrs. Florence Flynn, Mrs. Hattie Kelly, Mrs. Virginia Ennis, Mrs. Margaret Steele, and Mrs. Dorothy Donofrio. Much credit is due the entire membership for their whole-hearted cooperation and especially to Mrs. Steele, who made initial plans and arranged for the men to attend.

"Our only compensation," said the members, "is our hope that someone, somewhere is sharing an "evening at home" with our husbands, fathers or sons stationed in other parts of the world."

Next important date scheduled on El Carmelo's calendar of events is the semi-annual officers whist, to be held, Wednesday evening, April 7. All officers of the parlor will serve on the committee, headed by Miss Irma Zerga, first vice-president.

KENNEDY

where he established an enviable scholarship record of 98 per cent average in eighteen courses.

Lieutenant and Mrs. Kennedy, the former Miss Evelyn Ciemoli, visited in Daly City just before Kennedy left for overseas. Many parties were held in the couple's honor during their stay here.

A graduate of Jefferson Union high school, Kennedy was selected a squadron leader while at Santa Ana. Recently, he got a pilot's-eye view of Daly City while flying over this area while stationed at Mills field.

Mrs. Kennedy has been near her husband all during his training period. While in Phoenix, Arizona, she entered a typing test and established a rate of 100 words a minute with no errors. She is remembered here as the winner of several national awards for typing accuracy and speed.

# Local Man Sees Action In Solomons

Four months of combat duty on embattled Guadalcanal island in the Southern Solomons lie behind Private William E. Robinson, 21, member of the U. S. Marine Corps, who recently returned to this country on sick leave, after contracting malaria. While living in Daly City, Robinson made his home with his aunt, Mrs. Kenneth Armintrout, 1127 Brunswick street. His sister, Miss Vivian Bemis, attends Jefferson Union high school.

While on leave, Robinson visited his home town, Kenton, Ohio, where he was honored guest of the chamber of commerce.

"I got pretty tired of eating cocoanut although the milk from the green ones always tasted delicious," the young man said, in describing meals (or lack of them) on Guadalcanal. He participated in plenty of the desperate fighting in the area.

Private Robinson left Guadalcanal in December for a hospital in New Zealand. He arrived back in the United States, February 1, for treatment of the malarial condition, and reported back to Mare Island, San Francisco, March 10, for active duty.

While on Guadalcanal, Robinson was in a machine gun crew, serving at various times as gunner, assistant and ammunition bearer. Luckily no member of his crew was killed, although the crew itself accounted for its share of Japanese casualties, he admitted to a reporter on The Kenton News.

Kenneth Armintrout, husband of Robinson's aunt, is with the U. S. Navy's Seabees, stationed at Camp Peary, Virginia, as an instructor. He is a first class boatswain.

# CLARIFY ROLES OF TWO COLLECTION AGENCIES

Confusion, resulting from county-wide misunderstanding of the purposes of the two organizations collecting blood in this area, was cleared, this week, when the executive committee of the San Mateo County chapter, American Red Cross, and the special committee of the San Mateo County Blood Bank issued the following statement:

"There are two organizations collecting blood in this area.

"1. The American Red Cross, whose mobile blood procurement unit comes to Julia Beylard hall in San Mateo three days each month. Blood given to the Red Cross donor service is processed into dried plasma. This at present is the only source of plasma being shipped to the overseas armed forces of the United States wherever they are fighting. Appointments to give your blood to the Red Cross mobile unit can be made by telephoning San Mateo 3-4561.

"2. The San Mateo County Blood Bank, owned and operated by the citizens of San Mateo county for the purpose of (a) providing blood for emergency civilian use in the hospitals of the county; (b) providing a storage or "bank" of blood plasma located in strategic areas throughout the county in event of bombing, fire or disaster of any kind, and (c) providing blood and plasma to naval hospitals for treatment of wounded men returning from the battlefronts.

"The San Mateo County Blood Bank is located at 25 South El Camino Real in San Mateo and appointments for donating blood may be made by telephoning San Mateo 3-1424. The blood bank is open daily except Sunday. Appointments may also be made for "typing" the blood of any citizen of the county without charge.

"The two organizations each have a specific purpose and are not competitive. You are giving vital aid to the war effort when you give to either agency. More blood is needed now than ever before. You can aid by making an appointment immediately."

The Red Cross has announced that the mobile unit will be at Julia Beylard hall, today, March 25, 9 a. m. to 1:20 p. m.; Saturday, April 3, 1 p. m. to 4:40 p. m.; Thursday, April 8, 9 a. m. to 1:20 p. m.; Thursday, April 22, 9 a. m. to 1:20 p. m. If a group of six to eight Daly City residents will make their appointments for the same time the Red Cross Motor Corps will provide transportation from here to San Mateo.

# Y. L. I. To Sponsor Sale Of War Bonds

In a combined effort to boost the sale of war bonds and stamps and get more blood donations for blood banks all over the country, another national war drive will get under way in Colma, tomorrow, in the Y. L. I. Victory Sale.

Sponsored nationally by the National Catholic Community Service, the drive locally will be under the auspices of Emydian Institute No. 154, Young Ladies Institute, it was announced today by Mrs. Lenore Varni, president of the organization. The drive will continue for three consecutive days, tomorrow, Saturday, and Sunday, during which time the institute will be striving to get more blood donors and purchasers for War bonds and stamps, among people in the Daly City-Colma area.

Both bond and stamp purchasers and blood donors may do their part in the drive by going to the Colma branch, Bank of America, Mission street and San Pedro road, either tomorrow or Saturday during regular banking hours. There they can buy their war bonds and stamps or pledge themselves to donate blood for the blood bank.

Institute members can make their pledges at the regular meeting at the parish hall of Holy Angels church in Colma.
